EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. The following changes to the drawings have been approved by the examiner:

In Figure 1, reference character **18** needs a led line pointing to the cavity.

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

The recitations of the specific features of the video monitor in claim 1 including especially the construction of the display housing including a rear casing having a recess, the recess being dimensioned to receive the leaf when the display housing is stowed in the storage cavity, whereby both viewing angle and linear distance or elevation between a viewer and the display panel may be adjusted by rotating the leaf relative to the casing and the display housing relative to the leaf is not taught nor is fairly suggested by the prior art of record.

The recitations of the specific features of the method of safely ventilating a display housing of a vehicle mounted video monitor in claim 11 including especially the construction of the hinge leaf dimensioned to overlies the ventilation ports and overlying the ventilation ports with the hinge leaf when the display housing is stowed in the console is not taught nor is fairly suggested by the prior art of record.

The recitations of the specific features of the video monitor in claim 15 including especially the construction of the display housing including a rear casing having a plurality of ventilation ports extending therethrough and the leaf overlying the ventilation ports when the display panel is stowed in the stowage cavity is not taught nor is fairly suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lori L. Coletta whose telephone number is 571-272-6658. The examiner can normally be reached on Monday-Friday 7:30am-4:00pm.
